Contract Manufacturing Agreement

between Müller Präzisionstechnik GmbH, Reutlingen (Principal) and Müller Precyzja Sp. z o.o., Wroc■aw (Manufacturer). Dated 1 July 2019.

§ 1 The Manufacturer produces machined sub-assemblies exclusively on behalf of the Principal, using drawings and specifications provided by the Principal.

§ 2 The Principal bears market risk and inventory risk for finished goods.

§ 3 Remuneration. The Manufacturer receives its total operating costs plus a markup of 5% (cost plus 5%). The markup was derived from a benchmarking study prepared in 2019.

§ 4 Review. The parties shall review the markup every three years. No review has been documented to date.

§ 5 Term. The agreement runs for an indefinite period with six months' notice.
